

Historic Richmond Association
"MIRACLE ON MORTON STREET"

SATURDAY, DECEMBER 1, 2007 11AM - 8PM

DOWNTOWN HISTORIC RICHMOND TEXAS

The Historic Richmond Association continues the tradition of celebrating the holiday season by hosting the 5th annual "Miracle on Morton Street".

This celebration is a gift to the families and children of our community. Featuring local musicians and choirs. Narrated wagon rides highlighting the history of Richmond. Holiday shopping with the local businesses and street vendors offering a variety of arts, crafts, gifts, and food. A "Kid Zone" with rides, crafts, and face painting. Santa's Post Office with Elves to help with letter writing. The highlight is the arrival of Santa as he repels down the Richmond water tower. Photos on Santa's lap will have all the children smiling.

In order to continue to offer this event free to the community, we need your support to help underwrite the event expenses. This is your opportunity to extend the joy of the Holidays to everyone in our community.

Depending on your level of sponsorship, you can expect free advertising on our website, print ads and signage. Announcements from the stage heralding your support, and Certificates of Appreciation for your office wall.

Please accept my sincere thank you from a grateful community for your generous sponsorship. If you have any questions or need further information, please feel free to contact me.

Thank you,

Lorraine Appello
